FORWARD PLATE LF 100 LAT | Honda
Art nr: 967 85 51-02

The LF 100 LAT is a fast-operating forward plate compactor, designed for efficient compaction of asphalt and soil. It is ideal for repair jobs and maintenance work, such as driveways and parking lots. The large water tank features an oversized cap to enable less frequent and faster refills. It is easy to clean, leaves no marks on the pavement and uses whatever water is available on-site.
